Report on the Financial Statements

We have audited the accompanying financial statements of Lee County Homeless Coalition, Inc. (the "Coalition") (a Florida not-for-profit corporation), which comprise the statements of financial position as of June 30, 2018 and 2017 and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Coalition's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting

policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

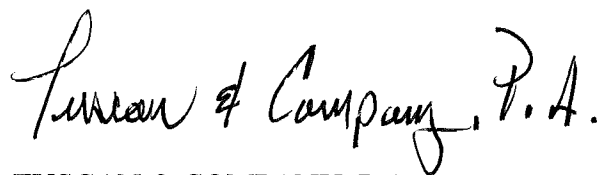

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lee County Homeless Coalition, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter Regarding Going Concern

The accompanying financial statements have been prepared assuming Lee County Homeless Coalition, Inc. will continue as a going concern. As discussed in Note J to the financial statements, Lee County Homeless Coalition, Inc. has been notified by the Lee County Department of Human and Veteran Services that they are exploring new methods of funding for the Coalition's fiscal year ended June 30, 2020. As such, the respective funding, currently \$132,000, may significantly increase or decrease or may remain consistent with current funding levels. No definite decision has been made as of the date of this report. Such potential loss of funding raises substantial doubt about the entity's ability to continue as a going concern beginning with the Coalition's fiscal year 2020. Lee County Homeless Coalition Inc.'s management plans regarding this matter is described in Note J. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and description of activities

Lee County Homeless Coalition, Inc. (the "Coalition") was incorporated on December 4, 2008 as a private, not-for-profit Florida corporation under the provisions of Chapter 617 of the Florida Statutes. The Coalition is an advocacy group made up of representatives from community and faith-based service providers, local businesses, people who are currently experiencing or who have experienced homelessness, and other advocates committed to ending homelessness. The Coalition began operations on September 1, 2009.

The Coalition's activities include, but are not limited to, increasing public awareness of issues related to homelessness, improving government's ability to implement effective services by conducting a census and survey of homeless people, assisting those who are homeless or are at risk of being homeless, increasing support and participation from local businesses in coalitions, programs, and activities, and performing fundraising events to raise money for services provided. Revenue is also generated from grants and contracts.

Mission statement

Lee County Homeless Coalition, Inc.'s mission is to advocate, educate, and promote awareness of issues and obstacles facing homeless individuals in Lee County through community collaboration, planning and implementing solutions. The goal of these efforts is to work to eradicate the causes of homelessness. The Coalition will accomplish its mission by identifying the causes of homelessness, collaborating with individuals and organizations to seek and implement solutions to the causes and problems of homelessness, providing technical assistance to members of the Coalition, communicating the causes of and solutions to the problems of homelessness, participation in government affairs as allowed by law, and advocating for the homeless.

The following is a summary of the significant accounting policies used in the preparation of these financial statements:

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Basis of accounting

The accounting and reporting policies of the Coalition conform to accounting principles generally accepted in the United States of America, and are in accordance with the audit guide issued by the American Institute of Certified Public Accountants, "Not-for-Profit Organizations" and the accounting standards issued by the Financial Accounting Standards Board (FASB) in the Accounting Standards Codification (ASC).

The Coalition prepares its financial statements on the accrual basis of accounting. Grant revenues are recorded as support when performance occurs under the terms of the grant agreement. Grant revenue includes all resources received from another entity in accordance with an entitlement or grant document.

Financial statement preparation

Financial statement presentation is consistent with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-225-45-1 (formerly Statement of Financial Accounting Standards ("SFAS") No. 117) "Financial Statements of Not-For-Profit Organizations." Under FASB ASC 958-225-45-1, the Coalition reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are defined as net assets that are free of donor-imposed restrictions, and include all investment income and appreciation not subject to donor-imposed restrictions. The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

The Coalition reports its contributions in accordance with FASB ASC 958-605-50-1 (formerly SFAS No. 116) "Accounting for Contributions Received and Contributions Made". In accordance with FASB ASC 958-605-50-1, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Under FASB ASC 958-605-50-1, such contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of the time restriction or compliance with the purpose restriction.

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Cash and cash equivalents

For the purpose of the Statements of Cash Flows, the Coalition considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. At June 30, 2018 and 2017, the Coalition held no cash equivalents.

Contracts and grants receivable

Contracts and grants receivable consist of billings due from grantor or provider agencies. The Coalition uses the direct write-off method of accounting for uncollectible accounts associated with grantor or provider agencies. At June 30, 2018 and 2017, all contract and grant receivables are considered by management to be fully collectible.

Property and equipment

The Coalition's policy is to capitalize assets with a cost of \$1,000 or more and a useful life greater than 1 year. Property and equipment is recorded at cost, except for donated items (used in operations of the Coalition), which are recorded at fair market value as of the date received. Assets are depreciated using straight-line and accelerated methods (which approximate straight-line) over their respective estimated lives, as follows:

<u>Property & Equipment Category</u>	<u>Useful Lives</u>
Buildings and improvements	6 to 50 years
Equipment	3 to 35 years
Furniture	4 to 20 years
Vehicles & rolling stock	3 to 10 years
Software	3 to 5 years
Infrastructure	20 to 50 years

The cost of assets retired or sold, together with the related accumulated depreciation, is removed from the accounts and any gain or loss on disposition is credited or charged to earnings. For the years ended June 30, 2018 and 2017, no debt related costs were capitalized as part of property and equipment.

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Impairment of property and equipment

The Coalition adheres to the FASB ASC 360-10-50-2 (formerly SFAS No. 144), "Accounting for the Impairment or Disposal of Long-Lived Assets." FASB ASC 360-10-50-2 requires, among other things, that entities identify events or changes in circumstances which indicate that the carrying amount of an asset may not be recoverable.

There was no effect on the Coalition's financial statements resulting from FASB ASC 360-10-50-2 for the years ended June 30, 2018 or June 30, 2017.

Compensated absences

The Executive Director of the Coalition is entitled to be paid vacation per contract. Vacation time, if not taken, is payable up to thirty (30) days upon termination. The Executive Director is not entitled to receive accumulated sick leave upon termination from employment.

Revenue recognition

All grantor-restricted support is reported as an increase in temporarily restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities as net assets released from restrictions. Donor restricted contributions, whose restrictions are met in the same reporting period, are reported as unrestricted support.

Contributions

In order to observe restrictions which donors place on grants and other gifts, as well as designations made by the Board of Directors, all assets, liabilities and activities are accounted for in the following net asset classifications:

Unrestricted Net Assets - not subject to donor-imposed restrictions.

Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Contributions, continued

Temporarily Restricted Net Assets - subject to donor-imposed stipulations that may be fulfilled by actions of the Coalition to meet the stipulations or become unrestricted at the date specified by the donor. The Coalition had no temporarily restricted net assets as of June 30, 2018 or June 30, 2017.

Permanently Restricted Net Assets - subject to donor-imposed stipulations that they be retained and invested permanently by the Coalition. The donors require the Coalition to use all or part of the investment return on these net assets for specified or unspecified purposes. The Coalition had no permanently restricted net assets as of June 30, 2018 or June 30, 2017.

Advertising costs

The Coalition's policy is to expense advertising costs as such costs are incurred.

Donated services

No amount has been reflected in the financial statements for donated services, inasmuch as no objective basis is available to measure the value of such services. However, a number of volunteers, including the Board of Directors, have donated significant amounts of their time and expertise to the Coalition's programs and supporting services.

Functional expenses

The cost of providing the various programs and other activities have been detailed in the Statements of Functional Expenses and summarized on a functional basis in the Statements of Activities. Expenses that can be identified with a specific program service are charged directly to that program, according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases.

Income taxes

No provision for income tax expense has been made in the accompanying financial statements since the Coalition is exempt from income taxes under Internal Revenue Code Section 501(c)(3). In addition, the Coalition is not a private Foundation within the meaning of Section 509(a) of the Internal Revenue Code.

**NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES, CONTINUED**

Income taxes, continued

The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. Management believes the Coalition met the requirements to maintain its tax-exempt status and has no income subject to unrelated business income tax. The Coalition's income tax returns for the past three years are open and subject to examination by tax authorities, and may change upon examination. The Coalition reports no unrelated business taxable income; however, such status is subject to final determination upon examination of the related tax returns by the appropriate taxing authorities.

Accounting for uncertainty in income tax items

The Financial Accounting Standards Board has issued guidance on accounting for uncertainty in income taxes and the Coalition has adopted this guidance. The Coalition has evaluated its tax positions and any estimates utilized in its tax returns, and concluded that it has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Interest and penalties associated with uncertain tax positions will be recognized in income tax expense, if required.

Management estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain amounts in the financial statements have been reclassified to conform with the current presentation. These reclassifications had no effect on the results of operations or total net assets.

Subsequent events

Subsequent events have been evaluated through July 30, 2018, which is the date the financial statements were available to be issued.

NOTE B - CASH AND CASH EQUIVALENTS

Cash is stated at the book balance of \$184,098 and \$187,574 at June 30, 2018 and 2017, respectively, which included restricted cash of \$0 and \$0, respectively. Cash accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per institution. At June 30, 2018 and 2017, the Coalition's bank balances were fully insured by the FDIC, however, cash balances may exceed the FDIC limit at times during the year. The Coalition has not experienced any economic losses on such accounts. The Coalition believes it is not exposed to any significant credit risk regarding its cash balances.

NOTE C - CONTRACT AND GRANT RECEIVABLES

Contract and grant receivables consist of the following at June 30:

	<u>2018</u>	<u>2017</u>
Dept. of Children & Families	\$ 9,740	\$ 8,954
Lee County	1,453	250
Misc. fundraising	<u>1,550</u>	<u>400</u>
	<u>\$ 12,743</u>	<u>\$ 9,604</u>

NOTE D - PROPERTY AND EQUIPMENT, NET

Property and equipment, net, consists of the following at June 30:

	<u>2018</u>	<u>2017</u>
Land	\$ -	\$ -
Building and improvements	-	-
Office furniture and equipment	<u>15,863</u>	<u>15,863</u>

	<u>\$ -</u>	<u>\$ -</u>

Depreciation expense for the years ended June 30, 2018 and 2017 was \$0 and \$0, respectively, and is included as an expense on the respective Statements of Functional Expenses.

NOTE E - SCHEDULE OF NET ASSETS

Net assets are available for the following purposes at June 30:

	<u>2018</u>	<u>2017</u>
Unrestricted net assets		
Undesignated by the Board	<u>\$ 182,264</u>	<u>\$ 180,486</u>
Total Net Assets	<u><u>\$ 182,264</u></u>	<u><u>\$ 180,486</u></u>

At June 30, 2018 and 2017, the Coalition held no net assets classified as temporarily restricted or permanently restricted for homeless housing assistance.

NOTE F - FUNDRAISING COSTS

The Coalition incurred fundraising costs totaling \$17,346 and \$27,622 during the years ended June 30, 2018 and 2017, respectively.

NOTE G - LEASE OBLIGATION - OFFICE SPACE

The lease originally commenced on September 1, 2009.

The lease provided was extended for two (2) one (1) year options which required monthly lease costs of \$618 for the period September 1, 2014 to August 31, 2015 and \$637 monthly for the period September 1, 2015 to August 31, 2016. The lease was then extended for the period September 1, 2016 through August 31, 2017 at a rate of \$637 per month. The lease was further extended for the period September 1, 2017 through August 31, 2018 at a rate of \$675 per month. Lease expense related to the office space for the year ended June 30, 2018 was \$8,064. Lease expense related to the office space for the year ended June 30, 2017 was \$7,791.

NOTE H - ECONOMIC DEPENDENCE

The Coalition's operations are substantially dependent on the receipt of support and revenue from grantor and contract agencies. Loss of these funds and/or large decreases in this type of funding would have a material effect on the financial position of the Coalition and a negative impact on overall operations. For the years ended June 30, 2018 and 2017, approximately 74% and 67% of total support and revenue was attributable to funds received from contractor and grantor agencies.

NOTE I - COMMITMENTS AND CONTINGENCIES

The Coalition is currently receiving and previously has received grants, contracts, and other third party funds which are subject to special compliance audits by the grantor and other third party agencies that provide these reimbursements. These audits may result in disallowed expense amounts.

Disallowed amounts, if any, constitute a contingent liability of the Coalition. Accordingly, such liabilities are not reflected within the financial statements of the Coalition, as management does not believe any contingent liabilities that may exist to be material.

NOTE J - EMPHASIS-OF-MATTER REGARDING GOING CONCERN

The Coalition currently receives approximately \$132,000 from Lee County including State pass-through and local funding which is approximately 73% of the Coalition's fiscal year ended June 30, 2018 revenue.

Recently, the Coalition was advised by Lee County Department of Human and Veteran Services that it was exploring changes to its method of funding local agencies including the Coalition. Funding methods being explored included increasing, decreasing and holding consistent the Coalition's funding. The Coalition's fiscal year 2019 funding with Lee County is under contract and no changes to the contracted funding is expected for fiscal year 2019. Management believes any significant reduction in Lee County funding would significantly affect Coalition operations including the potential to end Coalition operations if an alternative fund source is not acquired. The Coalition's Board is working closely with the County to help ensure continuation of funding, as well as, exploring alternate sources and monitoring the Lee County funding discussions.

The Coalition received at least \$10,000 for the last three fiscal years, including the year ended June 30, 2018, from a private donor. This is not a funding source the Coalition applies for. The donor simply elects to contribute. Management believes there is a risk funding will not continue.
