

COVID-19 CoC Response: Finding resources to meet your needs

April 2020

1. Does your CoC have a COVID-19 Symptom Screening Tool and is it being used consistently across your system?

Yes: Great!

No: The links below provide an example for how to design and implement a Symptom Screening Tool in your CoC.

- [CDC: Screening Clients for Respiratory Infection Symptoms at Entry to Homeless Shelters](#)
- [COVID-19 Client Triage Tool: Atlanta, GA Example](#)
- [COVID-19 Herramienta de Cernimiento o “Triage” Ejemplo CoC Atlanta, GA](#)
- [COVID-19 Assessment Form: North Carolina](#)
- [Indianapolis COVID-19 Shelter/Outreach Health Screening Form](#)

2. Does your CoC have clearly defined pathways for people who present for services, including those who have symptoms, those who do not have symptoms, and/or those who have COVID-19?

Yes: Great!

No: The links below provide an example for how to design and implement a pathway workflow in your CoC.

- [Client COVID-19 Screening Workflow: San Diego, CA Example](#)
- [Indianapolis COVID-19 Response Flowchart Shelter](#)

3. Has your CoC implemented HUD and CDC recommendations for homeless service providers to limit the spread of COVID-19?

Yes: Great!

No: The links below provide CDC recommendations to protect the health of people in congregate sites and encampments.

- [CDC: Interim Guidance for Homeless Service Providers to Plan and Respond to COVID-19](#)
- [COVID-19: Shelter Management During an Infectious Disease Outbreak](#)
- [Protecting Health and Well-being of People in Encampments During an Infectious Disease Outbreak](#)
- [Seattle and King County: Interim Guidance for COVID-19 Homeless Service Providers](#)
- [COVID 19 and Street Outreach: A quick Guide to Keeping Safe and Delivering Care \(Los Angeles-LAHSAs\)](#)
